“ Dear Larry, Cris, Dean Angie, Ronnie, Daryl and families,

We have many, many wonderful memories of Linda, but most importantly it was the way she will live forever in our hearts. We had so much fun growing up with you all, and I loved hearing her laugh (which was always), her wonderful hugs, the way her eyes would sparkle when she'd see someone after a long absence, her warm, caring heart and soul, but most of all how loving she was to everyone. God truly blessed you with the best wife and mother of all, and she loved her family above all else. We will be praying for you tomorrow and so wish we could be there to support you during this incredibly sad time. God bless you - all our love,

“ My heart is aching for the entire Leffel Family.

Linda always had a smile on her face and was truly such a wonderful person. I have fond memories from my childhood, making popcorn, those Toni perms(Lol)!

Swimming in your pool. Getting together when you and Larry would visit Ohio. Your family was blessed to call you “Wife, Mom, Grandma, Sister and Aunt”.

God has again called an Angel home. You will be missed, but Never Forgotten. May you Rest in Peace.

My Heartfelt Sympathy to your family.

Much Love to Larry, Cris, Angie, Dean, Ronnie and Darryl, and extended family 🙏❤️

“ Dear sweet Aunt Linda, I can't believe I won't hear your voice again. You were so loving and kind to me from my days as an awkward child all the way through my 65th birthday last Thursday where I got to hear your voice for the last time. It was the best birthday gift ever. I am so thankful that you got to spend your last hours in your home surrounded by the loving arms of your wonderful family. One of my favorite memories is when you and Uncle Larry surprised my Mom by visiting us in Charleston for Christmas several years ago. It meant the world to her and it definitely was a surprise. You always put family first and I'll never forget how great you and your family have been to my Mom as her health has deteriorated. When I was finally able to convince someone to marry me, you welcomed Laura into the family so warmly and she is forever grateful. We will do our best to uphold your legacy by supporting each other as we go forward. Always cheerful, always optimistic, always caring, always loving. I will think of you every day. Love always, Jacien

“ My memories began from the very first day I met you. You were sitting poolside and Dean was introducing me to you and, with a jokingly nudge from Dean, I ended up sitting in your lap. I was embarrassed but you made it better by laughing. I knew from that day ... I'd call you Mom.

I was blessed to have you in my life.

You are greatly loved and will always be deeply missed.

We will all meet again. Until then ... Rest In Peace Mom. I love you ...

“ Oh how I am going to miss you mom. You have always been such a pillar of strength for our family. I admire you so. There will be such a void in our lives physically...but oh how you will be with us in conversation and spirit daily.

We we're so very blessed to have you as our mom, you are one amazingly strong, loving, giving and caring woman. Your heart was soooo big. You always gave big! Mom please know how very much your family loves you and how very thankful that we had those special twenty - eight hours with you in your "Happy Place", your home. I have so many fond memories I for one will be forever grateful & thankful that you are resting pain free and in peace. My heart is broken. My precious mom, I will love you forever.

“ God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. May God’s words comfort each of you in the death of your precious loved one. Linda is now enjoying Heaven and those who have accepted Jesus as their Lord will see her again and then it will be forever.

“ My beautiful Grandma, your heart was so pure and your love BIG. You were so kind and welcoming to everyone you met. How I wish you could have known my children-they are amazing and you would have adored them and they would have loved you just as much as I did. Too many memories to list but what brought joy to my spirit was when two of my college friends recalled memories of having lunch with me and you, they vividly remembered how welcoming and sweet you were. I love you so very much, thank you for loving me and caring for me with all that you had💕💕

“ Aunt Linda was always so kind to us children. She made us feel special and wanted - never like we were any trouble at all. I will always treasure the times spent with her. Swimming at their home in Ohio. Vacation out to California. She was such a help for my wedding! Gave me my Farrah Fawcett hair style and made me feel like a million bucks! She was so easy going and loved to laugh - her smile makes me smile. A favorite memory was the visit to California when the family lived in L. A. We stayed with them and oh what a time we had! Disneyland and Knotts Berry Farm and fireworks every night! Aunt Linda and Uncle Larry made us feel right at home. Looking forward to the day in Christ when we have no more goodbyes. Much much love - Toni and Mike Padrutt

“ Linda was such a kind, sweet, loving person. Her daughter Angie is one of my besties and when Linda stayed with Angie for several months I had the pleasure of spending a lot of time with her, going to dinner, doing crafts, or just hanging out, she was a lot of fun. At that time I had a knee replacement and got quite thin and she was always so worried about me and always trying to feed me! Lol. I am sad that my friends and I will not be able to take a trip we had planned to visit her in her new home. She was such a treasure, love you and will miss you so much! Much love and sympathy to Angie, Chris, Larry and her sons! 💕💕
