“ Ronnie, I'm so sorry. I just found out. Barbara died last year so I know what you must have gone through. We had just moved to Waretown and I was looking forward to reconnecting with you both when I thought you were still in S. Jersey.

Linda was my supervisor at Sel-Rex in Nutley NJ. She was one of my best bosses. We kept in touch during our careers once trading jobs - Servometer. She was a mentor for me and a friend.

“ *Dear Ron, we are saddened to learn of Linda's passing. She was such a good and caring person. A happy memory is of the corner club at a wonderful lasagna dinner. She will surely be missed. Find comfort in the wonderful memories you share together. Fondly, Fred and Dotty Loesch. ("Just Cruisin")*

“ I'd like to share two of my happiest memories of days shared with Linda; first, going back quite a few years, those beautiful summer boat rides on Lake Hopatcong, diving off the back of Ron and Linda.s boat, swimming at their backyard beach, lunch dockside.....with the Federated crew. The second great time was when Linda and I traveled together to Buffalo, N.Y, to attend a HUD seminar. What a great companion! We talked and laughed the whole weekend through! That is how I picture Linda right now, always in the sunshine and smiling that special little " Linda smile."

“ It's difficult to know what to say at a time like this.

Linda is gone and will be missed, but she is at peace and certainly won't be forgotten. We had the privilege of knowing her for an awfully long time and had so many wonderful times together in NJ and FL. We'll cherish those memories and the lasting impression of her beautiful heart and soul.

To the family Linda left behind ... you have our heartfelt condolences, and we hope that you will find some comfort in the love and memories your heart will always hold onto.

“ So I was the "lucky guy" who found and married this beautiful girl...

Materialistic things meant nothing to her...and everybody who met her knew she was something special....

We were always together and she always had my back so not having her around is difficult, but I know she is in a better place.

My Dad always said..."Ronnie got a good one"....

I sure did!

“ 50 years ago we met the woman who would come to share my brother’s life. She had blond hair and sparkling blue eyes, and quickly became an integral part of our entire family. Always surrounded with her stuffed animals, she was crafty and creative, and had the analytical mind of a scientist, along with all the recognition and awards that came with it. Her kindness, dry wit and love of the simple things, all became her trademark. As her adopted family we are going to miss Linda, but there is comfort in knowing that she is now reunited with her own.

“ Linda was one of those rare individuals who always put herself last. She would quietly be in the background allowing others to be the focus of attention while she listened. Listening was one of her many talents. You could always count on her to give you 100% of her attention and if you asked for advice, her response was always insightful and wise.

She was as smart as a whip, but because of her humility few people knew of all her achievements.

She possessed both an inner and outer beauty and she was generous and kind. She loved her family and the love she had for our brother Ronnie was immeasurable.

She was a wonderful sister-in-law & aunt to our children. We will miss her greatly. We love you Linda! Rest in peace.

“ Linda was such a special person. She was very resilient, smart, thoughtful and full of warm vibes. She will be dearly missed. One striking aspect of her kindness was that even through difficult times she always cared so much about Ron even more than herself. May she rest in eternal peace

Linda's life may have been taken away from our family, but the wonderful memories she left behind can never be taken from us. They will be in our hearts forever. Linda had a presence about her that brought you peace. You just knew after speaking with her, all would be ok. She was loving, caring, generous and just one terrific sister-in-law. Linda was the perfect wife for our brother Ronnie. Linda will be deeply missed by everyone who was fortunate enough to have known her. Rest In Peace Linda! We love you!

If I had to pick one word to best describe my sister in law, Linda, it would be that she was genuine. She was a kind and gentle person who was adored by everyone who knew her. She will be greatly missed and never forgotten.
