“ Dear Barbara and family; Words were many with Lloyd and the Pulliam family but now they are hard to express. When I recall his love for the Lord and all of his church friends, I recall all of his going the extra mile for all of God`s children.His musical talent, his sacrificing for his preaching ministeries, his love for sports and the joy we shared over games and politics prods our memory. Yes he loved to eat and many of our evenings were spent doing that as we discussed the above. I count Lloyd and you Babs as family and servants of God and He has heard the roll call up yonder. Thanks for being our friends. Skip and Kristen.

Dear Barbara and Family - I am so sorry to hear of Brother Lloyd's passing. I have many wonderful memories of him. I remember those many revival meetings in Muskogee, OK at Boulevard Christian Church (BCC). He had a special relationship with Brother Russ Martin who would come and preach at the revivals. They also had a radio program together and came to our Central High School to present an assembly which pointed us to Jesus Christ. At the revival meetings, he would play his trumpet and sing, both beautifully. My mother once requested that he play, "Dwelling in Beulah Land" on his trumpet and he kindly did so. I also think of him at Sunset Bible Camp where he would speak in the evening chapels. The newsletter for BCC had a section called "Cameron Comes Calling" where he would write his article. He was a powerful and effective servant of the Lord. Now he is "Dwelling In Beulah Land."

He came to a small Church in Verona Missouri and held a revival . He was so gracious and helped me personally so much. I met Kristi some years later and I pray her and all the family are doing well. I will look forward to meeting you all in heaven. Michael Best.
