“ *A good man who will be missed by all. He was always willing to help and did help us with the mower and tractor. He liked boating and being on or near the water. He had his "projects" to do around the house. We will miss him at the garden and visiting at South Pond.*

“ *Randy is a man who is full of love and positivity. Although he has left his physical body, his love remains with us. His kind words, generosity and wisdom has taught all of us in so many ways. I speak of him in the present because he is forever present with us. Although we can't touch him, we can still hear his voice and feel his love. I am forever Grateful to have had the honor of knowing him and experiencing his love and generosity shown to both myself and Devon. He treated me like a daughter with good advice and love.*

*Mom we know that his love for you is forever and we are here by your side to help shine love and light to you so that you can heal. I Love You with all my heart.*

“ *Grandpa was a great man. He was the first to teach me baseball as a little girl and taught me what it meant to work hard giving me chances to help him and grandma donna at his house in Connecticut. He was there at my christening and was so proud. I love looking back at that day seeing him hold me in front of the church. He always made great memories coming back through CT to visit and it was always fun seeing him, meeting at the golf course and having dinners together. He was always so supportive of me when I was a single mom and he always had great words to say when we had the chance to get together. He and donna were a great model of what love looked like. I loved knowing how much Grandma donna loved him and always went out of her way to do the extra special mile for him. It was always so great to see them. She made me so happy to see how happy she made grandpa. Even though he may be gone it still feels like hes here. We will always love you grandpa. I just wish he had more time. I love you donna for loving all of us and being the glue that held all of us together. To all the guys and gals in the family we lost a great person but one day be together again.*

“ *Randy was a real saint, a true happy soul who loved his family and friends. He was always helping people and thrilled to do it. It's hard to think about memories of him without boating coming up. I will always remember beach days, fishing, touring the local shore sights and trimming the mangroves in Florida. I'm so lucky to have those memories. Randy and smiles go hand in hand, both him and you. Every time. You will be greatly missed, Rand.*

*Love you, Dona and Rich*
