“ I remember being with Logan when Grandma Carol was in the hospital. We would sit and talk, tell stories, and laugh about the old days. Now grandma and grandpa are up in heaven with you having a reunion. Love Aunt Jerry 🥹

“ We have great memories of Logan from holidays, birthday parties and "dates". He was a wonderful young man with an amazing sense of humor. “ 11/11 angel number...
I am honored to have had the opportunity to meet you. You're a beautiful soul, special beyond words. I celebrate the kind, sensitive, beautiful, unique person you were. Thank you for talking to me. That was a big deal for me. It made me happy that you felt comfortable to hang. Also, thank you for fixing the air conditioner. So smart. I wish you peace..

“ I will always remember any family gathering spent with Logan. Whether we were building a crazy Minecraft world together, going kayaking in the mangroves, having the time of our lives at the beach, or continuously cracking jokes to each other, any time spent with Logan was such a gift. Logan always knew how to make us laugh and was so clever and incredibly kind. His stories were always my favorite to hear. There was truly never a dull moment with Logan. He will be so very missed, but always with us. Sending all of my love.
