“ *Lois and I were stationed together in Korea in 1987-88. She was a wonderful woman and a loyal friend. We lost touch and I'm so sad I'll never get the chance to talk to her again.*

I'm sure Princess was waiting for her.

“Lois and I had been friends for over 40 years. We shared many good times and memories together. I would like to share with you a poem

I ran across that is a tribute to her.

*An Eternal Memory...
...Until We Meet Again*

*Those special memories of you
will always bring a smile
If only I could have you back
for just a little while
Then we could sit and talk again
just like we used to do
You always meant so very much
and always will do too
The fact that you're no longer here
will always cause me pain
But you're forever in my heart
until we meet again*

“ I have many happy, funny memories of Lois. She and I were buddies in Junior & Senior High School. In junior high, our favorite after-school activity was walking to the shopping center to get our favorite french fries. We'd go even in the worst blizzards - nothing was gonna stop us! We were so silly, laughing all the way. In high school we'd go cruising with Becky Burns Sease in Lois's barge of a car (which she wasn't too great at driving!). We never knew where we'd end up, but it was always fun.

I'll never forget Lois. She was one of those people who have a truly good, kind heart. She would do anything for anyone. Please accept my sympathy for your loss. I will never forget Lois! Debby Hornick Pearce

“ To Lois's family, i am sorry for your loss. Lois and i were friends all through Westmont junior and senior high school. After graduating together in 1974, we went our separate ways. We had a lot of fun together, and i have many happy memories of those times. Again, condolences to Lois's family. Becky (Burns) Sease.
