

## Lois Giresi

September 19, 1941 - January 6, 2016

After fighting a fierce, courageous battle with pancreatic cancer, our dear mother, wife, grandmother, aunt, and friend, Lois Giresi, 74, of Bonita Springs passed away on January 6, 2016. A caring, loving, generous, dry witted woman, she died with dignity surrounded by her family and loved ones. Lois is survived by her beloved husband of 52 years, Michael; her children Michael Jr (Joan) and Christine (Laura); grandchildren Michael III and Natalie Giresi; brother in law George Giresi (Joanne) and sister in law Sandra Giresi Carpenter (Joe); nephews Mark Dunn (Melissa), Greg Giresi (Christina), Kirt Giresi (Dorian), Mike Carpenter (Jennifer), Todd Carpenter (Neli); and beloved niece Sara Carpenter. Lois loved life, touched many hearts, and had numerous, wonderful friends. At her request, there will be no viewing or funeral. She chose to be cremated and kept with her family. Memorial gatherings will be held in both New Jersey and Florida, with details to follow at a later date.

In lieu of flowers, Lois requested donations be made to St. Jude's Research Hospital at <http://giftfunds.stjude.org/loisgiresi>. Your donation in her name is a fitting legacy for her unwavering support to eradicate childhood and adult cancers. Lois will be greatly missed by all who met her and will remain in our hearts forever and ever.
