August 5, 1957 - March 17, 2023

Lorna Mary Anton, "Molly", of Lehigh Acres, FL, and formerly of Naples, FL, passed away March 17, 2023, at home, while under Hospice care. Molly was born on August 5, 1957, in Massachusetts, where she grew up. She was a member of Belmont High School's graduating class of 1975. Molly continued her studies, graduating from Allegheny College in Meadville, PA., and then the University of New England in Biddeford Pool, Maine. Upon graduating, she pursued a career in Occupational Therapy that spanned over 40 years. She traveled extensively and lived in many of our United States, including Massachusetts, Maine, Kansas, Louisiana, and California. Anyone who knew Molly would say she was one of the most giving people they know. Molly leaves behind her loving husband, Randy Anton, and son, Emerick Anton, of Lehigh Acres, FL., both of whom provided her with amazing, and loving care, including, but not limited to, her final days. She also leaves behind her father, John J. McGrory of Bonita Springs, FL.; brothers, John G. McGrory of San Carlos, FL., Daniel P. McGrory of Fort Myers; her sister, Kathleen M. "Kate" Foran, as well as many nieces, nephews, grand-nieces, and grand-nephews. She was preceded in death by her mother, Lorna T. McGrory. Molly was a very active communicant of her parish, St. John the Evangelist Catholic Church. When one thinks of the Prayer of St. Francis of Assisi, particularly "It is in giving that we receive", Molly will sure come to mind. There will be a private viewing for the family. Her Mass of Christian Burial will be celebrated at 11:00 AM Wednesday, March 22, 2023, at St. John the

Evangelist Catholic Church in Naples. The family will be receiving friends at the church beginning at 10:15 AM until the time of the Mass. Inurnment will follow in St. John's Memorial Garden.

The family suggests that memorial donations in memory of Molly be made to either Faith Formation at St. John the Evangelist Catholic Church or to the Community Pregnancy Clinics - Naples 940 5th Ave. No., Naples, FL 34102. “ *Molly was a very special person. She was highly intelligent with many areas which she shared with me daily for years in our daily talks. She was my go to person and now lost without her. God bless her soul and keep her safe. I love you MS Molly 💔❤️👍*

“ *We met Molly and Em/Anton aka Pickles in California. Richard and I spent many times of fun with them And also got to know her loving parents. May she be greeted at the gates by her mother with loving arms. Rest our friend in heaven ❤️ Judy and Richard Chrzanowski*

“ *I knew Molly in junior high as she was one of my dear friends. We were the two kids who seemed to find ourselves in trouble as we learned about life but we moved on after those lessons like any other kids. She was a very special person to me and we had lots of laughs. She would visit with my family down in Cape Cod during the summer. She initially wanted to become a veterinarian as she loved animals and it doesn't surprise me she took care of people because Molly had a huge heart. Bless you Molly - you're loved by so many!* ❤️

“ Today we will gather to celebrate your life and lay you to rest. None of this feels real yet. I keep waiting for my phone to ring with your ringtone. Thank you for always being there for me. Remember my final words to you Thursday. I love you...give Mom a kiss for me.
