

Lorraine M. Rickman

September 30, 1938 - October 27, 2021

Lorraine Hughes Rickman (Sept. 30, 1938 – Oct. 27, 2021) believer in Jesus Christ, was returned to her savior on Wednesday, October 27th in Lee County, Florida surrounded by her family. Until the very end of her life, Lorraine played golf with a passion, organized & attended social events, donated her time to local non-profits, and traveled the world as a self-proclaimed “Wander luster and Pioneer Woman”. Lorraine was born and raised in Patchogue, New York. (or as Lorraine would often say, “New Yawwk”) by parents R. Ford Hughes (former Suffolk County Republican Leader) & Katherine (Kate) Aviano Hughes.

“Rainy” as she was known by her close friends, grew up on the South Shore of a small Long Island town with her brother Robert L. Hughes who pre-deceased her. Summers were spent at her parent’s cottage on West Meadow Beach clamming and picking beach plums for preserving in jams to enjoy over the cold winter months. She attended Patchogue High School & graduated from Seton Hall High School with the Class of 1956, where she met and eventually married her high school sweetheart, the late Theodore (Ted) J. Rickman. The couple both attended Syracuse University where Lorraine studied at The School of Nursing and later completed her BSN & MSN at Stony Brook University as a Nurse Practitioner. The couple eventually returned to Long Island to raise the 3rd generation of Patchogue girls, Cheryl L. Rickman, Kathleen E. Rickman (1962-1969) and Stacey C. Rickman-King. While spending the formative years with her children as a stay-at-home mom,

Rainy volunteered as a Girl Scout Leader, was the PTA President at Barton Ave. Elementary School, and was the Girls' Softball Coach. She was also a Past-President of the Women's Club of Patchogue, Past-President of the Suffolk County Nurses Association, and ran for Suffolk County Legislator in 1985.

Rainy was a woman who lived with intent, was intelligent, had tireless energy and relentless compassion for those in need. As her partner, the late Robert Morton (aka "Bobarino") fondly referred to Rainy as, "the friend to the friendless." You never knew who she might invite to the beach house for the weekend, Christmas Dinner or perhaps even to a trip to Europe. If you ever ended up in jail and had only one phone call to make; she was your gal.

Lorraine would show-up and circle the wagons when the rest of the world didn't care. The busier Rainy was and the more projects she could take on, the happier she was. The momentum and zest with which she lived life was indescribable. If you could not keep up, it was best to get out of her way!

In addition to her daughters, Lorraine is survived by her grandsons Cole Alexander Tsakis and Jonathan Ford Tsakis and her nieces Bonnie Hughes-Sullivan, Wendy Hughes-Cris and nephew Peter R. Hughes.

A memorial service will be held at First Presbyterian Church in Bonita Springs, Florida on Thursday, November 4th at 11a.m. A link to live stream the service is <https://www.youtube.com/watch?v=GzoFYIsVSlw> and can also be found on the Shikany Funeral home website <https://www.shikanyfuneralhome.com/obituaries/>

“ *What I remember the most was Lorraine or as we called her "Mrs. Rickman" sitting at my dining rm table (where all my mom's friends sat) telling my mother what she needed to do for whatever issue my mom had. Or giving me hell for something I did that upset my mom. I remember going out on their yacht & asking if I could steer. Everyone looked at each other & I was reminded they carried my car insurance policy so even tho Teddy (Mr. Rickman) said fine everyone chimed in to remind him of my driving record at which time he grabbed the steering wheel & said he didn't think it was a good idea! I babysat for them when Kathleen was alive. Altho just a teen I saw the grief in their faces & the pain in their eyes of losing a child. It was a moment that I never wanted to experience again w/ these good ppl! I always saw Lorraine as a pillar of strength & knew when my mom was needing tough love Lorraine would be sitting at the dining rm table! She was like a 2nd mother who u could count on to drop everything if u needed her! I know my mom is once again in good hands & I no longer have to worry!*

“ We loved your mother always. I personally go back a long time, Seton Hall Days, walking door to door with her when she ran for Suffolk County Legislator, playing tennis and getting babysitters for all the kids. I could go on and on. We both married our high school (Seton Hall) sweethearts. My Jim and your father were from the same town. So many wonderful memories. Our hearts and prayers go out to Cheryl and Stacey and your families. With Love, Sandra & Jim Haverty

“ *She was a great gift to me one Spring when she greeted me every morning with a smile to pass Lola's leash to me. Lola kept me company on a walk every morning for a few months before they returned to Florida. We were so blessed to have just spent time with Lorraine in Florida and we will miss her. We are so grateful to have known her.*

“ *My condolences to the family and friends of Lorraine. I have had the pleasure of meeting Lorraine and surrounded by her presence over the last few years and I couldn't be more grateful. I am thankful for the laughs, the check in's, the scolding (lol), the affirmations and the advice. Her strength and resilience is one that I commend and will never forget. I am also forever grateful for my Stacey for being my person, from being my principal to being a second mother. I am so sorry for your loss and I love you so so much.*

“ *My condolences to the family and friends of Aunt Lorraine Rickman. She has always been an inspiration to me from the time I met her more than 50 years ago. I admired her strength and courage through many things she had been going through at the time but never forgot to be kind to others and share her love and affection and overwhelming kindness to me. She inspired me to become a registered nurse and encouraged me through many hardships in my life. She Will be Loved and missed.*
