

Lucille Pauline Bradley

April 14, 1937 - April 21, 2022

Lucille P. (Belisle) Bradley (aka “Bunny”) passed away peacefully on April 21, 2022 at the age of 85, in Bonita Springs, Florida. Born on April 14, 1937, to Rachel and Gerard Belisle in Woonsocket, Rhode Island. She attended the Convent of Jesus-Marie and St Claire High School in Woonsocket RI and graduated in 1955. When she was young, she worked at her father’s business in Cumberland RI.

Work throughout her life included family business’, banking, finance, and the hardest job of all, raising 2 boys. However, the work she loved most was being a caravan leader for the Airstream Travel Trailer Company for over a decade, leading groups of like-minded explorers to locations as far north as Alaska and south, deep into the interior of Mexico, the Baja and everywhere in between. During those years she visited nearly every state and province in North America. Her true love was traveling.

After retiring from traveling, she settled in Titusville, Florida where she continued to grow her ever expanding universe of friends. With her beautiful smile, sense of humor, and infectious laugh, to know her was to love her and anyone that met her was an instant friend. To say she was active would be an understatement. She was legendary for her exercise regime and the envy of most that tried to keep up.

In 2010, she decided to relocate to Estero, Florida to be closer to her son's Jay and Michael. Reluctant to leave her friends behind in Titusville she quickly made more new "best friends" with her continued active lifestyle. True to form, leaving more people short of breath just trying to keep up. A perfect example of how fit and active she was, she decided to try roller blading at the age of 70+ and jumping on a trampoline with her 15-year-old granddaughter Kenzie, at the age of 80! True story and we have the pictures and video to prove it.

Right up to the end, she was doing what she loved most, enjoying food and friends.

She is survived by her husband James of 64 years; sons Jay and Michael Bradley and daughter-in-law Monica Bradley; brother Gerard Belisle of North Kingstown RI; nephew John Belisle; niece Jo-Ann Belisle; and grandchildren Hannah, Mackenzie, and Maxwell Bradley. She is also survived by her sister in law Ann Collins, husband Jim, nephew Jimmy, and nieces Lisa and Kathy.

In lieu of flowers, please send donations in her name to Joanne's House at Hope Hospice, 27200 Imperial Parkway, Bonita Springs, Florida, 34135.

“ *Bunny was my very dearest friend for the past 25 years. Even after she moved to Estero she would come to New Smyrna Beach and stay for days. She loved to go down to the beach and walk, talk and talk and especially SHOP. We could spend an hour at a counter in a store touching everything, asking questions, trying on stuff and then walk away with nothing. I especially loved our time out in Montana with all the RVs and about 20 people from TGO at Glacier Park. Bunny surprised us all by cooking everyone salmon and halibut one night. Wonderful! We always got the uncontrollable giggles when we got together and used to wonder how long we could keep up our shopping trips. We even went to the grocery store together when we both lived at TGO. We talked on the phone every Sun. without fail for at least an hour and other days too. We could always pick up right where we left off no matter how long it had been since we had seen each other. Oh my gosh...how I will miss her.*

Bunny and I met when she was 15 and I, 14, 70 years ago at good old St. Clare High. We quickly became best friends and she will always be my best friend.

We lost touch when the Bradleys moved to Pennsylvania. Luckily reunited at our 25th school reunion. We have not stopped talking, meeting, laughing, going on group trips. She will always be special to me.

She loved her boys and grandchildren, her brother Gerry and his family.

Love you Bunny, til we meet again.

Great pictures of Aunt Lu. Just visited last summer with my girlfriend and she couldn't have been happier to see me and to meet her as well. We had the best time, we even helped get her watch working even though it stopped a few months later which Aunt Lu and I both laughed about. I'll always have the best memories of Aunt Lu and I'll miss her more than words could describe.
