“ Marco was my older cousin, well all my cousin are older because am the youngest! Marco would do anything for his family. He would stay neutral in family arguments. No matter how bad his day was going he would meet you with a hug and smile! He would drop everything he was doing to come help me if I asked. I love you cuz ❤️ Please if my Dad and your dad try to tell you what while sipping your heavenly espresso do not listen to them. Make sure you give Nick a smile and hug for me! I know your probably having a blast with Nick but losing you two is a big blow to the family. Marco your simple the best!

“ Marcos, we are all still in disbelief. We will miss your laugh and smile. You would give the shirt off your back to anyone that needed it. We are thankful for all the memories. From working together, to tearing up our tickets at the dog track when we found out mush bet on the same dog as us, to our road trips, and sitting down for a chicken gorgonzola pizza together. I will see you on the other side my friend
