“ *As my sister and best friend, I have so many memories of Marge, I wouldn't know where to begin. We even hung out together as teens and worked in the same hospital. After work, if it were a weekend, we changed at work and headed to west hampton beach. She and I. Shared living together in Riverhead, NY. After I married, she lived with us for awhile. When I moved to Ohio she freq. visited.. In FL we introduced her to Bob & the love story began.*
