“ *Let me tell you why my Aunt (Mommy) Margie Murphy was one of the 2 most influential people in my life next to my own mother Donna J. Griffin. At an early age when my family was vulnerable to some life challenges. My Aunt Margie and Uncle Tom (2nd of 2) included my family and myself into their family. They and every one of my Murphy cousins lent support to us when my brother Bradley J. Moritz had been suffering through and died from Leukemia at age 10. My parents' divorce. I became what some refer to as the 14th Murphy. Thru all our difficulties and the never-ending vents in the Murphy family there was a constant in my life. My Aunt Margie's smile that made me feel like I was someone special in her eyes. Even through the many scuffles, poor choices and embarrassing moments that would require a reprimanding response. Her saying "Jeffrey" along with the smile was encouraging. For me, the thought of that ending is sad. The influence of her warming smile in my heart will last forever, and that is a blessing. With grateful love "Jeffrey".*

Mom made every Christmas special. It was never "you have to be there," but it was always "I want to be there." I love you mom!
