“ *We will definitely miss Eloise and we are saddened by her passing. I really enjoyed the conversations I had with her and the Prueitt family and I know she will be deeply missed by all that were fortunate enough to know her. Our thoughts and prayers are with everyone during this difficult time. Unfortunately, we will not be able to attend her celebration of life but everyone will be in our thoughts and hearts. With deepest sympathy, Jody, Denise, Gavin, Gwen, and Mitch.*

“ *We loved Eloise. She was so much fun and had the best sense of humor. She always made us laugh. She could do a Sudoku puzzle faster than anyone I know. Her baking was extraordinary, and we called her the "Cobbler Queen." Her time with us will be etched on our hearts. What a lovely lady she was! Definitely a new angel in heaven! Al and Sue Cesnovar*
