“ *Dear Bob and Nichole,
I am so sorry to hear this news. My sister from Petoskey recognized the name from when I worked up north. It was always a pleasure to work on a house with both of you.i was always allowed to do some of what I considered to be the most beautiful of my career which is coming to an end for myself. I have experienced a few strokes which has slowed me down quite a bit. I just hoped my efforts were able to make her life more enjoyable. I was lucky to know her.As I am finding you just don't know what lies ahead. I hope the days ahead will be filled with being able to realize how many lives where filled with knowing the pleasure of knowing Marianna.*

“ *Dear Bob and family:*

I was taken aback, reading this morning's Detroit Free Press, when I encountered the obituary for Marianna. My condolences.

I thought back to a wonderful dinner in Bordeaux, to a tragic car accident there the next day and to our return to London rather than our planned visit to Budapest.

Marianna insisted she was good to go, but we knew she needed a little

TLC back in the U.K. and then a return to Michigan.

Bob, I think of you often and enjoyed my days working with you in Dearborn.

Regards,

Bert Serre
