“ *I was very saddened to learn of Marianne's recent passing. I met her in 2006 when I came on board as part of the Access Control Team in Collier's Reserve, Naples, Florida, where Marianne was currently working. She was smart, kind, a comical sense of humor & generous person. I last saw her approximately 3 years ago when I invited her as my guest to a Christmas Party in Collier's Reserve when she had retired from working. She told me she wasn't feeling so great, but still maintained her sense of humor & optimism. Great strength indeed.*

My truest & heart felt condolences go out to her Family & Friends & I wish you all comfort & peace.

*Marianne, you were a trooper & a good soul, & I will never forget you. Your soul is now free, & I wish you love, light & peace in your new journey, & when I'm called home, I hope to see you again down the road. 💕 In forever gratitude & remembrance of knowing you,
Laurie Anderson.*
