“ *I have so many wonderful memories of my grandma. My earliest would be rocking to the jukebox in her Iowa homes basement, then in my youth visiting in Chicago and seeing the city, to trips in Florida swimming in a mermaid tail in her pool and her meeting my daughter Pixley. I think my favorite was my trip in May with Pixley, Maegan, and Steven. We had the most wonderful dinner at her house. Thank you Grandma for all the letters and good advise over the years. I am going to miss you so much but we will meet again. So give a kiss to everyone up there and until we see each other again I love you SO MUCH.*
