“ Paul and family: I fondly remember coaching Mark in basketball when he attended Seagate. He always tried his best and was at every practice. Quiet yes, but his positive attitude and the way he paid attention to instruction spoke volumes. So incredibly sorry for your loss.

“ *Paul and family, We were saddened to hear of Mark's passing and know how difficult it must be to lose someone you love at such a young age. We only knew him through his work with San Souci A/C but always found him kind and caring, especially when he did work at my parents' home in their later years. Our thoughts and prayers are with your family at this difficult time.*

“ *In Memory
Those we Love remain with us,
for Love itself lives on.
Cherished memories never fade,
because a loved one is gone.
Those we Love can never be,
more than a thought apart.
For as long as there is a memory,
they'll live on in our heart.
