“ I was so saddened to hear the news of Marty's passing. He was such a presence in the Misty Meadows neighborhood. Marty was extremely hospitable, caring and thoughtful. We were both Ramblers! He had found out that I was attending Loyola's final four game and had gotten me the signature red and gold scarf to help bring some school spirit to the game! He was easy to talk to and the life of any party! He will be missed dearly. Much love to the Norville family.
