“ *My loving, generous, beautiful angel!! You showed me strength and endurance, love and compassion, and understanding with no judgment. You supported me in every endeavor as I grew up even if you didn't agree, you allowed me to fail forward and learn from my mistakes. I will miss having conversations with you in physical form yet I know you will always be by my side guiding me and loving me. You are my hero and angel and fly high with the wings that were gifted!! UNTIL WE MEET AGAIN!!*

“ *Mary, “Mrs King”, was one of my favorite clients. She would come to Arizona with a big smile and happy to see her family for the holidays. Always a joy to see her come in. Sending the family prayers. What a wonderful Mom, grandma you all were blessed with. May she Rest In Peace with Our Lord.*
