“ Dear Mary, today was a time of grief, tears and memories. So many memories. I never thanked you, aunt Catherine, uncle Jack and Kathy for being there for us as children. Our visits to North White Plains with all of you were so special and happy. The only time we saw our father was at your home. You and Dick so generously made a home for him in your home in Valhalla. You included us in the Downey family and the Howarths in the Bronx, mr Howarth, aunt Florrie, Danny, Eddie and Georgie. I still smile at our visits with Mrs Dinsmore and aunt Kate. There were also times with Dottie, Ruth and Mimi. It certainly brightened the days for the 3 Quinn girls and will never be forgotten. You were such a beautiful person, caring, non judgemental, fabulous, real human being. I will miss you always and smile every day at all the memories you have created. Love you cuz until we meet again 🙏❤️🌸🌹 Eileen my love to Dock and the entire family. Thank you Mary for being you. My life was made better because of you.

“ Mary was y best friend for years. We went to school together from kindergarten through high school. Graduated together in 1953. We even went to catholic school together for 7th grade. Mary and I have stayed in touch all these years. She was at my wedding and visited me in my first home. we never missed each others birthdays over the years. I am pleased she got to have 65 years with the love of her life. I lost my husband at 65 years as well. if my Jim had lived we would have celebrated 70 years this year. My dearest Mary you were and Angel on earth and I know you will be one in heaven. May your family be blessed with fond memories, you will be missed.
Love you much Carol
