“ *Ted,*

*I was so sorry to just learn of your loss. I started teaching at the Cape Middle School in 1970 and starting in 1986 I was on the fifth grade team with MaryAnne. She was always a giving colleague and a dedicated teacher, all the while having a down to earth and practical attitude that was often very helpful. I have missed her since she retired and can only imagine the loss you must feel. Please accept my sincere condolences.*
