“ *Marynell blessed me with her presence as a colleague and friend. She was one of a kind and will be greatly missed. Her dry sense of humor and devotion as a healing nurse influenced many of us. Thoughts and prayers to her family and friends.*

“ It will be hard to see Seat 2 in Row 1 of Section 106 without thinking of Marynell. She was a wonderful member of our Everblades Family. My son always wanted to thank her for introducing me to Shazam so I wouldnt ask him so much “What’s the name of that song” I’m sorry I hit her on the head with candy so many times but I will always be thankful to her for never once yelling at me for doing it. Marynell, you will be very much missed.
