

## Maureen C. Nehl

October 6, 1947 - November 3, 2015

Maureen C. Nehl 68, of Bonita Springs, FL died November 3, 2015 at her residence. A former resident of Tucson, AZ, she had been a resident of Bonita Springs since 2011. She was born October 10, 1947 in New York City, a daughter of the late Martin A. and Florence A. (née Eagan) Walsh.

Maureen or "Mighty Moe" as many knew her, managed to live more in one lifetime than several people could in multiple lifetimes. Before becoming a wife and later mother to four very active and rambunctious sons she became a teacher in New York. On her off hours from teaching she earned her flight time to become one of the few female certified pilots of the 1960's on Long Island. Later she added blue water sailor, sailing instructor, scuba diver, parachutist, ukulele player and crocheting to her list of interests.

After surviving breast cancer Moe developed a passion for motorcycles and became an avid rider logging over 200,000 miles. She served as the Safety Officer for the Fort Washington H.O.G. Chapter as well as a Motorcycle Safety Instructor with the College of Southern Maryland for 4 years. Moe earned multiple Iron Butt awards by riding her Harley through 49 states and all of Canada except for one province. Her travels also earned her the Iron Butt Association National Parks Tour Master Traveler GOLD Award. Her passion for life will live on through her loving children, family and friends across the country.

She is survived by her loving companion of 11 years, Jeff Ballard; her four sons, Gregory Nehl, Dennis Nehl, Kevin Nehl, and James (Angel) Nehl and her two sisters, Pat (Mike) Caven and Eileen Aherns.

The family will receive friends on Friday, December 4, 2015 from 4:00 PM to 8:00 PM at the Raymond Funeral Home 5635 Washington Ave, La Plata, MD. A Mass of Christian Burial will be celebrated Saturday, December 5, 2015 at St. Joseph Catholic Parish 4590 St. Joseph Way, Pomfret, MD 20675.

In lieu of flowers memorials in her name may be made to the American Cancer Society.

Arrangements are being handled by Shikany's Bonita Funeral Home.

“ *Moe was my Citrus Park buddy. We played ball together and we both loved our ukuleles. She was the kind of friend who made you laugh until you snorted. I miss her everyday.*
