“ *Dear Kathy,*

*I am so sad, to hear that Michael has passed away. My heart aches for you and all the family and friends who loved him.*

*I know Bette Jean posted Michael's essay, "Rose and Tony," but I wanted to post it also, to let you know how much I treasure this beautiful story. Over all the years, Michael's telling of the family reunion picnic, has moved 4 times, always to find its rightful position on the bulletin board, in my craft room. Every year, around Labor Day, I read it. I am very thankful, that Michael wrote this story and shared it with all of us.*

*All my love to you,
