“ *Sending heartfelt sympathy to Liz and to the McCall/Muncil family and to Michael's children, children, grandchildren and great grandchild. Michael had such a large and memorable presence. Whenever we are in Room 3 at Quaker Lake, his simple sketch of the view from the window is reminiscent of his presence at that moment in time. His artistic creations will continue to be his mark in our world and in our lives.*

“ *Michael, my dearest friend was an extremely talented man, after my husband died he took me under his wing working in a penthouse on Marco Island, I have the fondest memories of long conversations traveling to work and working in his home studio. Michael always put himself last and I know for sure that he loved Elizabeth with all his heart. He had more energy and stamina than most and never hesitated to go the extra mile for anyone who needed his help. I always thought Micheal would live to be a very old man and so I must console myself with his 12 years of friendship and think of all the good he brought into my life.*

My most sincere condolences to Elizabeth and Michael's family.
