“ *Michael*

Born December 18, 1989

*Arrived on schedule, just a little guy,
Became a skinny kid, somewhat shy,
His disability was sight,
Tried everything to make it right,
But nothing worked the way it should,
So Mike had to do the best he could,
To struggle through the maze of life,
Adjusting to a life of strife*

Was uphill from time of birth

*The handwriting was on the wall,
Michael, smart, had read it all,
He knew he had a cross to bear,
That badge of courage he did wear*

Was uphill from time of birth

*Determined, he would graduate,
Degree from college on this date,
Imagine, just imagine this,
A constant life in an opaque abyss*

Was uphill from time of birth

*Along life's path, he felt his way,
Family assisted, everyday,
Alyssa! What a sister! Guide!
When needed, she was at his side*

Was uphill from time of birth

*Prediction of the pending storm,
He readied with a manly form,*

*Prepared, had visions of his Maker,
Aware that the Maker, too was Taker.*

Was uphill from time of birth

*I ask you now to close your eyes,
Close your eyes, close your eyes,
And you will see Michael, where he is,
At the right hand of the Father...*

“ Michael, I remember when you were born, I remember how cute you were and how happy you made your mom and dad. I remember watching you grow, and me riding my bike to your house to play with my two little cousins. I remember how hard you fought, I remember the last time we spoke, if i knew it would be the last time, i would have told you how much I love you. I know I lost a cousin, but heaven gained an angel. You are an inspiration, and you will never leave my heart. I love you and will always remember the good times, rest in peace. love, Brittany

“ *Goodness Michael you were taken away too soon. A young man so full of life and a fighter until the end. Heaven is just a bit brighter now. My love to the family. Especially to Josephine and Alyssa my sweet dear friends. Alyssa whenever we went anywhere Michael was always by your side. Just keep in mind that although he isn't there physically his spirit lives within you. He is always by your side sweetheart. I can't tell you both how much I feel for you. Heaven has gained a really good man.*

“ *My heart goes out to you Josephine and Alyssa on the loss of you dear, sweet son and brother, Michael. May you find comfort in the love and compassion of all of us who consider ourselves fortunate to have you as our friends. I will always remember Michael as a precious light while he walked with us on this earth. Sherri Weidman*
