“ *I am so deeply saddened and heartbroken by the passing of Mo! I am going to miss him very much. I am so happy that I made a final visit to see him before he passed away. There are so many memories I could share, from the stories he told me and the laughter exchanged between, to the tears that were shed and rough days endured during the 2 years he was a part of my life at Brookdale. I genuinely felt like I had an extra set of grandparents with him and Ann. Simply the sweetest, funniest, most caring, pain in the rear, but love em to pieces couples I have ever had the pleasure of knowing! I find comfort in the fact that he and Ann are now reunited once again. Rest easy, Mo!*
