“ *I am so sorry to hear of Nancy's passing . Nancy lived down the street from me when we were kids, we played together, and went all through St James together. Over the years we would see each other at class reunions. She was a wonderful person and always a lot of fun. My prayers for Bill and her children and her sisterJanice.*

“ *I was very saddened to hear of Nancy's passing. She and I grew up in the same, now in retrospect, idyllic Salem neighborhood of Dunlap St. I remember Nancy as a vocal member of the "Peanut Gallery", a group of younger kids who would cheer and jeer us while watching our backyard basketball games and vacant lot football games. My sympathy goes out to her husband, children, and grandchildren and to her sister, Janice.*

“ Nancy was always a fun person and so filled with life. I'm so glad her pain is over but she leaves a big hole. Our best to Bill, Todd and Tara (our Froggy.) may you only remember the laughter. Love to you all, Joanne and Bill

“ I just learned of Nancy's passing on FB. She was one hell of a fighter. I have known her since I met her when our kids took swimming lessons in Beverly, MA. I had not seen her down here for a while. She sure loved a good time always smiling. John and I will miss her.
