

Nancy A. Green

October 2, 1959 - April 9, 2026

Nancy Anne Green (Driscoll), 66, of Southwest Florida, passed away peacefully on April 9, 2026, surrounded by her loving family.

She was born on October 2, 1959, in San Angelo, Texas to James F. and Dolores M. (Kane) Driscoll, and grew up in the Philadelphia, Pennsylvania suburbs. Nancy devoted her life to her children, grandchildren, and extended family. She held her loved ones close to her heart and found her deepest joy in the time she shared with them, especially during beach vacations and grandkid playtime. Known for her kindness and willingness to help others, Nancy had a special gift for making each person feel truly loved and valued.

Nancy earned her bachelor's degree from Reinhardt University. She proudly served students of all ages as a dedicated student advisor at several institutions of higher education. She was deeply passionate about helping students discover their goals and build lives filled with purpose and meaning.

Nancy's faith was her greatest source of strength and comfort. She lived by the words of Psalm 18:2 "The Lord is my rock, my fortress and my deliverer; my God is my rock, in whom I take refuge, my shield and the horn of my salvation, my stronghold." Her trust in God remained steadfast and brought her peace throughout her life.

Nancy is survived by her children Michael Riccio (Sydney) and Ryan Riccio (Ashley); and her cherished grandchildren, Emerson, Nolan, Cameron, Paxton, and Easton. She is also survived by her siblings; James Driscoll (Joanne), Paul Driscoll (Colleen), and Colleen Merk (Chris), along with twelve nieces and nephews who she loved dearly.

“ Dear Michael, Ryan and families,
I am sorry to hear of your mom's passing. She was wonderful. She was always kind and friendly. I ran into her at mass quite a bit as well as at St. Ann School. Always remember how very proud of you she was.

Sincere sympathy,

Tom passed away (4/4) - just before your mom did. God must be collecting all his ultra favorites this month.

“ Ryan and Mike,

My heart is with both of you and your families during this painful time.

Your mom was a truly special woman, and anyone who had the privilege of knowing her felt that immediately. Nancy carried a rare kindness, warmth, and love that touched so many people. She made a lasting impact on Robert of Philadelphia and helped shape the family and culture we are today through the way she cared for others, the thoughtfulness she brought each day, and the love she shared so naturally.

I always admired how deeply she loved her sons and how proud she was of both of you. It was clear that being your mother was one of the greatest joys of her life. She spoke of you with pride, and the men you both became are a beautiful reflection of the love, values, and strength she poured into you.

She was a tender soul, a woman of faith, and a bright light to many. Even in loss, her legacy is powerful and alive through her children, grandchildren, family, and everyone whose life she touched.

We are so blessed that Nancy was part of our lives, and I will always be grateful for the difference she made at Robert of Philadelphia and in so many hearts.

God bless Nancy. She was deeply loved, and she will never be forgotten.

*With love and prayers,
Robert*

“ Nancy was such a bright spot in my life during some of the hardest days I've ever walked through. I dearly wish I could have seen her again, but I know I will one Day. May Jesus wrap His arms around each of you and hold you close. One thing I know, she will be cheering each of you on in your own race until the day you see her once again. Sending so much love.
