“ Nancy was like a second mom to me when she lived in Michigan. He daughter and I were close and they always opened up their home to me. I spent several family vacations with them and love the whole family dearly. But the stand out for me is when Nancy and Floyd invited me to come to services and youth group with them. Because of that I found a second church to be involved in. Hillside Wesleyan became a home to me and I truly was blessed by being invited and carted around by their family. Nancy taught me how to be a mother, how to open my home to neighbors... I know she prayed over me even though she never said a word. What a woman. What a mom. What a grandmom. I have great hope to be united again with her in heaven. I love you Jarvi Family!!!  
In Christ,
