She took great pride being born and raised on the "East Side" in an Italian family where her parents, siblings, grandparents, aunt, uncle and cousins all lived under one roof. She lived a very fulfilling life. And, took pride that she still worked for Publix. Heaven certainly gained an angel who will live in our hearts forever.

“ *George, Joe and the Pavich family - my apologies that this is late. My deepest condolences - your mother was a very special person. George, I remember meeting her numerous times at the Walgreens locations and her thoughtfulness when she would have you bring me something extra for lunch or a homemade treat. She'd always bring something from the Publix bakery for the crew to enjoy for your many work accomplishments (which were quite a few!). She was so proud of you! Your mother enjoyed people so much and it was quite evident when I'd see her at Publix and she was just chatting with everyone. I know she loved you all so much and will be with you ALWAYS. God bless.*

“ *Dear George and Family,
I knew Nancy as "Dan the Wine Man" while at Publix and I was saddened when learning the news today. She was such a beautiful human being inside and out and despite our infrequent visits, she made me feel like I was her best friend. As evidenced by her wonderful tributes, she was admired, respected and loved by many. Although I will not be able to attend her services, I wish to convey my warmest sympathies. May God, your family and friends be sources of love, comfort and cherished memories during this difficult period of grief. I will miss not seeing her and her beautiful smile at Publix.*

“ To the Pavich Family. I would like to extend my sincere condolences on the loss of your beloved Mother. When I used to ride my bike or walk my wagon around the block she and your father would be sitting on the porch on 107th and Avenue B. I would stop and she would let me sit on the porch too and bring out Candy for me. She was a beautiful woman. If I remember as I got older she worked at the Walgreens on 106th Street. Every time I went in I stopped to say hello to her. I also remember that she always had her hair looking beautiful. My thoughts and prayers are with you all. Sincerely,
Steven W Rupcich.

To George and the Pavich family. I was so sorry to hear about your mom's passing. What a wonderful family I remember. I grew up across the alley from your grandma and grandpa and you can see the apple doesn't fall far from the tree are used to always talk to your uncle Tony at Saint George church. Are used to love going to Walgreens to see your mom at the cosmetics counter and she always looked impeccable and had great style. I'm sure she brought that great style and personality down to Florida when she worked at Publix

My thoughts and prayers are with you now and always what great memories you have of your mom. May she Rest In Peace 🙏. Joanna Di Domenico
