“ Wishing you were here "just doesn't express how much we miss you. The miles between us are nothing because you're airways in our hearts. Missing the good old days of you and meThe thought of Ann's laughter brightens our days. Reast in peace my brother.

“ Dear Greg and family...Losing a parent is very very hard but losing two in such a short time, well I can't imagine the loss...I didn't know your parents but as a Christ the King graduate with you back in 1978 we are always family and I wanted to extend my deepest and sincerest sympathy to you and your family...Words are always hard to find at times like this but on a positive note, I am so glad you had your parents well into your adult life. Many don't get that chance.. I lost my dear Dad Arthur in our freshman year...but God granted me the blessing of have Mom to the ripe old age of 84. I will be praying for comfort and strength in the coming weeks and months now that the holidays are upon us shortly...Laugh as much as you can talking about them and sharing old stories...Laughter is the best medicine...I know tears will be shed as well, lean on each other for support . God Bless you all...with love, Maureen Smith Lynbrook NY (class of 1978!)
