“ *Will remember you well "Nibba". We talked about my grandparents name being changed at Ellis Island from DiMattei to Mattes. We thought we may be related. You were Uncle Nickys catcher with Morrisette Post Baseball team. Ken Marini was one of the pitchers, he raved about your play behind, and at the plate. Cruisin Commonwealth Ave, and Beacon St the night before we were both being shipped out. You to Korea; me to Minnesota. The wedding in Battle Creek.. Quirk Chevrolet. You said that job would drive a sane person crazy. Meeting up with you in Bonita, when Penney, and I came to Florida, and Just in the past month Some reminiscing, hoping, and praying that you would beat the sickness. You did that for a long while, way more than the time they gave you. I will not forget you "Nibba" .*
