“ *I am so proud to call Nic my brother. Not a day will pass when i dont or wont think about everything he taught me. I remember when I was learning to drive, he would take me out almost every night just so I could get my hours in. He always called me just to tell me he loved me and was proud of me. I always knew no matter what I could tell him anything, good or bad, all he did was listen and let me be me. I know I am a better person because of him and his advice. Love you always and forever Nic, your baby sister.*

“ Sweet Nic, aside from all his family and friends, he loved his time coaching the "Mustangs"...and treasured this roster signed by all the team members. His other joy in life was his beloved Everblades...they both lost a great, dedicated coach and an avid fan. We love you, Nic!!!
