“ *Dear Mrs. Powers, Jan, Mark and Vicki,
I'm sorry to hear of Norm's passing. While I rarely saw him when I visited your home, I knew he was respected in the community, and I loved going into your beautiful store in White River. I always felt welcomed in your home. I so miss those days growing up in West Leb and all the wonderful friends and families we knew. May you find peace and comfort knowing that Mr. Powers is at rest. “ *I have very fond memories of Mr. Powers. When I was in high school working at the White River Paper Co. after school and on Saturdays (and summers) my folks needed a need sofa. i went in and talked to him about getting one for them and paying it off by the week. He let me do it at \$5. a week....yes, \$5. a week....He was a wonderful, caring man and I will always remember his kindness to me. Your family was blessed to have him in your life as was I.
Sincerely, Linda (Peck) Herman*

“ *So sorry to hear of Norms passing. He and dad were such good friends. I can remember when "the guys" would get together for a evening of poker, a green wool blanket spread over the dining room table. Dad often grumbled about Norm taking the majority of winnings home with him! Mom, Sarah and I have all of you in our thoughts and prayers.*

“ To Norman's Family, We are so sorry for you loss, I have fond memories as a child going into Power's Furniture Store where my Dad worked for Norman. It is so ironic that my Dad just passed (Merle "Whitey" Gould) this exact same day as Norman. My Mom sends her condolences to you all. They are both in heaven looking down on us and free from pain.
Love, Ginger and Robin
