

Nova "Georgia" Weaver

November 30, 1939 - August 19, 2025

Nova Georgetta Weaver "GeOrgia", passed away peacefully by the grace of God on 8/19/2025.

She was born on 11/30/1939 in Fairfield, Illinois. She is preceded in death by her parents, Millard & Beulah Bass, her brother Dewey Bass, sisters Edythe Taylor & Jean Hall.

Georgetta met her best friend Flossie Tondini on the school bus when they were 13 years old. They later graduated together in 1957 from Wayne County High School.

She was working as a waitress in Gary, Indiana when she met, (& 13 days later), married the love of her life, Lee Weaver. They began their life together in Pittsburgh, PA.

Since 2000, she has resided in Naples, Florida. But before that, she was a proud Pittsburgh-er for over 60 years.

Georgia's competitive nature & love of life, helped her excel in many areas, such as her career in real estate & her assortment of social activities; photography, tennis, ping-pong, bocce & Scrabble. Most recently bingo and dominoes were her favorites.

She traveled the world with Lee & when he passed she continued sharing that joy of adventure with her children & grandchildren. She graciously & joyously shared so much with so many. She was kind, generous & fun!

She is survived by her children Donna Kazan Weaver & Evan Weaver (Donnice), grandchildren, Anthony Weaver (Diana), Matthew Weaver (Jenna), Ashlee Weaver (Ethan), and great grandchild Natalee Weaver.

Georgia was a gift from God to all that know her. Summed up beautifully by her namesake, Jorja, "to be loved by her was a gift".
