“ *I have fought with myself on writing this because of my poor vocabulary and writing skills but I have known Sandy and Jean for 11 years and they both mean a lot to me. I met Sandy and Jean 11 years ago when my cleaning business here in Florida began. Sandy and Jean became more than just a customer to me, we became friends! I know Sandy was a very smart man who held a lot of knowledge about so many different things. The books he read could fill the shelf's of Books a Million store. Sandys willingness to share his knowledge showed his love for others. I remember he would go to the little school here in Bonita Springs and help the little ones learn to read. He helped my son Dennis with Math you know the math they teach our children but us parents don't know how to do it.. lol Sandy did!!! I loozed forward to Sandy and Jeans cleaning days. I knew there would be a plate of Big not fun size Candy Bar's. Yep what a great way to start the day with Sandys big smile and the choice of what candy bar I wanted. Mid night Milky way was my favorite : ) I still clean for my friend Jean and I must say I miss Sandy and his bright smile and his willingness to help in anyway he could. It just doesn't feel the same not having Sandy here although I think Jean will agree the house is easier to keep clean. We love and will always remember you Sandy the candy man! Much love Ellie, Mike and Dennis Horning.*
