“ *Dear Marlene, Nancy and family: Words cannot express the sadness we feel over Bob's passing. My brother Bruce, my father Jack and I were Bob's customers for well over thirty years. Bob was so much more than the guy we went to for hair cuts. He was a dear friend. We shared stories of our families, good times and bad. I always listened to Bob's advice on business and personal matters. His sense of humor and the jokes we shared made getting a haircut an entertaining experience. My dad and I were the first customers he told of his decision to retire. We shared some tears on that day but we were so happy for him. I'm so glad we were able to meet for lunch two years ago when he was in Rochester for health care. Even after fifteen years, when I get my haircut with Kim and Sue, we always talk about Bob every time. He had a big impact on all of us. We will miss him and think of him always. Love, Art Weinberg*

*Dear Marlene, Nancy, and family,  
Everything my brother Art said is so true. I started at the Captain's Chair in 1975 and I am still at Rock's Hair Design. Bob was more than our stylist-a very excellent stylist! He was our very good friend. We missed him so much when he moved to Florida. We treasured the opportunity to see the two of you when you came to Rochester. Bob was so proud of his wife, daughter, son-in-law, and grandchildren. He spoke of you often with great pride and accomplishment. We will miss Bob and will continue to think fondly of him!*
