“ *When I was young, I saw my Tio Pablo as this cool Uncle every family had. The way he carried himself was something to admire. He always had this smooth swagger and was funny on top of that, and when he talked to you he always made you feel that " Hey, you're cool too" in a very caring and inviting way. I was never afraid to be myself around him. I really did admire him. He was a genuine soul... love you Tio. You are missed.*

“ *Elena & family...thoughts and prayers to you all during this very sad time. May the past memories of your beloved brother bring you comfort as you say goodbye.*

“ *Losing someone dear to you is one of the most devastating moments that anyone is forced to face. Pablo Vega was my uncle(Tio), and he was one of the funniest and loving people I've been blessed to be around during my childhood. Sadly, we grew apart through the years as we all got older. But, I would like to share with everyone that my Tio Pablo, when around, always made me feel loved and safe with his bear hugs. My deepest condolence to all of my Tio's loved ones left behind. He will never be forgotten, and I will cherish the memories from the past. We will miss you dearly from the bottom of my heart.*
