“ *I had the pleasure of working with Pat for several years at Naples Botanical Garden and she was one of the most beautiful people you could ever want to work with and call a friend - and she also made an awesome Macaroni Salad! I had just found out that Pat had passed away and to her family I send my condolences - I will always cherish the memories of Pat and her willingness to help others, your mom was a true angel here on earth and she will always live fondly in my heart. “ *So sorry to hear about the loss of Pat. She was a lively and funny lady who volunteered (with Hoople a.k.a. Spider Man) for Jamaica Outreach Program at St John the Evangelist. Pat was one of our most active silent auction bidders and I'm sure her family received a lot of auction stuff they didn't really need, but she was always so generous, she couldn't let something go for too little when it was to benefit the poor. She and I also saw each other often at the hair salon. We will miss her and pray for all of you. --Jeanne Stamant*

“ To Pat's family and legion of fans ,
My lasting impression of Pat is this: I don't think she wasted a day in
her life !

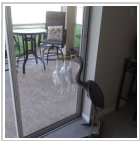

Wherever she was, whatsoever she was involved in, her presence
was an important factor. She was a friend to all who crossed her
path, and a loyal advocate for our parish and the remarkable priests
who have served it since it was founded.

May the promise of Easter be your consolation, and the joy you
brought to her life be your consolation in the difficult days and
weeks to come.
