Just catching up on this news. She was a WHC classmate. We got along great. She was a bright burst of happy energy. She was kind and generous and had a great smile. I lost touch after nursing graduation but she left a lasting impression. Kate Carter Stephens.

“ It may have been years since I've seen or talked to Lynn, but it doesn't change the fact that I considered her a true, close and loving friend. She was my matron of honor at our wedding and we shared so many memories that I will carry with me always. John and I send our heartfelt condolences to Rob and Jennifer and pray they find peace and comfort knowing how much she loved them. As do I; Moose loves you, Lynn, rest easy.
