“ I lived on the big island for 5 years. In that time Patty and Bob became two of my very closest friends. Patty was a mom I never had. She is my daughter Jaylee's godmother. Patty was an amazing person with a great sense of humor. She loved to laugh and I've had many with her on the course, at their house or out to eat. She will be sorely missed but I know she's in a better place and I look forward to laughing with her again some day. I love you Patty
