“ Pat was one of the dearest people that I have had a chance to know, a beautiful person on the inside as well as outside, her radiant smile was always there even when she was in pain and her laugh contagious. The world was a better place because Pat was in it, and so were the times that I was with her. Our loss is heaven's gain. Pat and Larry Frye

Heartfelt prayers for Pats family. She was the most courageous woman ever in her long struggle with cancer. She is my inspiration. We will miss her and always remember her million dollar smile she generously shared. Now her daughter will carry that smile forward. I am blessed to have known her! Heaven is now blessed with her presence. The last thing she said to me was "love you" Love you back!
