“ *A beautiful Man, a beautiful Family, a smile that let you know you were welcome, a hug that let you know he cared. It didn't matter if you saw him every day, or just once in a while, he always had a place for you. He had a strong love of Country, and a stronger love of his Family, determination and passion. He has now crossed over in to the time continuum and walks one step behind each of you. God will hold you in his hands, and comfort you, lean on friends and each other, remember the great times "Camp Kidzus". Paul you may be out of sight, but you will never be out of mind.*

“ Paul and I have known each other since we were about 11 years old. We have gone through Scouts, High School, and college together. I was even part of Paul & Kathy's wedding party. We hiked the C&O Canal together (180 miles) learning American history. When Terry & I lost both our jobs due to 9/11, Paul flew in to Philadelphia and took us out to dinner. Our friendship is strong, like a brother, and I will always remember how Paul could lighten up a room and bring joy to those around him. He will be forever missed, but our memories will live on forever. We continue to pray for Kathy, their children, and their grandchildren that they will have the faith and strength to get through this difficult time in their lives. May God bless all of you.
