“ *Su & I were saddened to hear of Paul's passing. I knew Paul for many years and work for him for his last seven years at Seco. Paul was an outstanding manager and always looked to coach & elevate the careers of his team. He will be greatly missed!*

“ *It was sad to be reached by the message that Paul has left us. Paul and I have had a lot of contact for many years during his time with SECO. Besides the work we have been out with his boat, played golf and eaten many dinners together. Paul was always friendly and caring and will be missing as the person he was. My thoughts go to the family.*

“ Deepest sympathy to the Kieta family. I first met Paul as a Carboly distributor in 1995, before joining the Seco family in 2006. We got to work together for about a year, and thereafter I enjoyed running into Paul at various industry events. This is sad news to hear and I send my prayers and condolences.

“ We were saddened to learn about Cousin Paul's passing. It's unfortunate that we lose contact with family as we relocate, but like my sister I have warm memories of my cousins gathered at Grandma Kieta's or Uncle Stanley Kieta's home. Thinking of those occasions when our family would socialize, play and celebrate being together will always evoke a smile. Our condolences to the entire family but especially to wife Ellen and daughters Aimee and Nicole as well as sisters Jan, Marlene and Marcia.

“ I see Uncle Stanley's eyes in Paul, and his kindness. Although our cousins have scattered across the country, we shall always remember rainy Easter mornings and steamy Christmas afternoons in Babci's and JoJo's kitchen, where hot bowls of chicken soup and a warm sense of love shut out the cold. As little kids, we trusted our parents to keep us safe. And now of course, we know that Paul is supremely safe and dearly cherished by our Father. Sending love to all - especially Ellen, Aimee and Nicole; Jan, Marcia, Marlene and the ones they love. Life is too short, and our country is too big. Missing you all. Sending love.
