“ *Peggy was a fantastic lady. She was not only my great-grandmother (mommom), but a positive role model for how a lady should present herself. Granted, I'm not perfect, but she loved me with all her heart anyway. Mommom taught me how to sew, cook, shop, and a various amount of other crafts/hobbies. Along with all of these things, she also taught me about the basics for what it is to be a home maker, wife and mother. I definitely wouldn't know most of the things that I do, if Mommom and the other positive role models in my life hadn't passed down their knowledge to me.*

*I miss her every day and think about her all the time. She was a hoot and a half! I'm happy that I was blessed to have her in my life and will always cherish the memories that I have with her, and the stories I've heard about her. I know that she is up in Heaven looking after the family and waiting for when we can join her.*

*-Love you always,  
Kristena.*
