“ *Our thoughts and prayers to Skip and the family. We remember the wonderful times we had at the PDCA events. Such good memories. Our first family pet, a black poodle was a gift from Phyllis.*

“ *Phyllis was such a wonderful person. During our friendship she was so kind to me. I will always remember her zest for life. How hard she worked at tennis but most of all her kindness towards animals. Once I asked her how many barn cats she had. She said Im really not sure but we keep buying more food so the population is growing. I remember trying to ride a burro with Scott. We fell ALLOT. I represent a animal charity named TAKE ME HOME so my donation will go there. Thanks Phyllis for making me part of your family.*
