“ Dear Matt and family,

I have just gone to Prue's Facebook page to catch up and I am shocked and saddened to hear of her passing. I was so very honored and thrilled you all came to my family cottage on Lake Michigan, and I shall cherish those moments for years to come. Thank you for taking the time to stop by and renew friendships from elementary school. She and I played together many, many times and I always considered her a friend even though she moved away so long ago.

My sympathies to all of your lovely family. Sincerely, Marilyn Fiegel Tucker
