“ *Sweetheart I miss you and all the little things that made you, "you". Thirty five years is an awful long time of togetherness. Yes we had our ups and downs, but we hung in there didn't we? Now the house feels awful empty without you - and Tinker, Hopee and Flopper miss you, too.*

You are in Jesus's hands now and you do not have to take all those pills and feel so bad all the time. I "LOVE" you and may God watch over you and bless you with all his love. I am going to miss the word "honey" as I heard honey for so many years and won't hear it no more.

*Love and miss you
Honey*

“ *I will miss Richard dearly. He was my step father, but he was far more than that, he was more like a father to me. He was genuine, kind, and loved nature. He made beautiful things with his hands because he had a real gift of creativity. He painted pictures, and he made beautiful ships that he spent months putting together - they looked so real that you could stare at them and go deep into your mind - seeing them tossed about on the Oceans. Go in peace, dear friend. You are among the heavens now, and I know you are watching over all of your loved ones.*
